# The Journal of Generation Y

38 0 1

## Chapter 1 by TeTe

Hi,

I'm just a kid from Generation Y. Why Generation Y!? I actually don't know that much, all I know is that my Grandpa calls me "generation pen in the ass" with all your hip-hop and weird clothes." He himself is from a group called "The babyboomers" which I like to call "generation with no tv and nothing better to do but make babies."

But this journal isn't about him...it's about me, my life and my dreams of the future.

See ya later gator

GenY
